

Dear :

You are receiving this email because you are one of the residents who had to leave personal items behind in the residence halls due to the changing situation related to the Coronavirus pandemic. To secure items and to make space for remaining students and for emergency personnel as part of the greater pandemic response, all items have been carefully bagged, marked, and stored.

Until the safer-at-home order is lifted (currently through May 15 for the city of Long Beach and greater Los Angeles County; no firm end date for California), we will not be providing access for students to return to campus and retrieve items. Once Governor Newsom lifts the order, we will begin to take sign-ups for students to retrieve items. We will be communicating to you via email regarding this process as well as updating [housing.csulb.edu](https://housing.csulb.edu).

Thank you, and stay well,

Housing and Residential Life
