

CALIFORNIA STATE UNIVERSITY, LONG BEACH

THE MATHEMATICS COLLOQUIUM

presents

Dr. Fred Feldon

Dept of Mathematics, Coastline Community College

speaking on

Tips and Tricks to Teaching Online

Friday, March 10, 2006

12:00PM-1:00PM

FO3-200A

Description: Whether you're experienced or just getting started, Fred will offer encouragement and advice such as how to increase retention, involve participation, produce your own instructional material, pick a course management system, manage assignments, group work, and testing, and more all while maintaining flexibility and a sense of humor to help online students succeed!
