Subject: **Information for SCPD 5K Run/Walk Volunteers**

First of all, SCPD Students and Board Members appreciate your support. We are in great need of volunteers for Saturday morning for the success of your 5K run/walk. We need our volunteers to perform the following tasks:

1. Setup tents, tables and chairs for registration and vendors
2. registration
3. direct traffic
4. direct runners & walkers
5. water station
6. Help cleanup after the race
7. And few other things.

The start time for the race is 9AM and it should approximately take 45 minutes to finish. We expect to get the course cleaned up right after the run.

Please meet us in front of SPCD office at 6:30 AM. I will go over everyone's specific jobs. Please encourage your friends to volunteer also.

Thank you again for your support.
