

Apply Online at

www.CSUMentor.edu

1. Creating an account on CSUMentor™ is easy and free – just establish a Username and Password to use each time you wish to access or modify your information.
2. You may apply to multiple CSU campuses. You will need to complete a new application and pay a separate application fee for each but your data from one application will automatically transfer to other applications and you may make the corrections needed on each.
3. Application Fee Waivers are available on CSUMentor but you can only complete the fee waiver form once so be sure to have the correct information when you complete it.
4. When your application is submitted, you may print a confirmation page. Be sure to save your confirmation number in case you need to inquire about the application. Except where stated otherwise in the application, your data is kept strictly confidential.
5. For technical problems or difficulty with CSUMentor, call 1-800-468-6927 or email questions to support@CSUMentor.edu.
