Additional Information

- The Nutrition and Dietetics Option with appropriate elective selection fulfills the American Dietetic Association (ADA) academic requirements for eligibility to apply for qualifying experiences required to become a Registered Dietitian (RD). Students must consult with the ADA Didactic Program in Dietetics (DPD) Director to verify current ADA requirements to become a RD. Students who choose to meet ADA requirements must select HFHM 375 and 477 as electives.
- Students must receive a grade of "C" or better in the DPD courses to receive verification of completion of the ADA approved program. These courses are identified with a + in the need to take column above.
- Students who wish to take the Nutrition and Dietetics Option as a pre-professional degree (e.g., medical) should check with appropriate programs to verify specific requirements.
- Students should see a program advisor for more information and for a Program Planner (which is completed one year before graduation).
- Use this worksheet as a guide to plan your academic schedule and refer to the 2007-2008 CSULB *Catalog* for further details.
- Some 100 and 200 level courses may be taken at a community college. Check the articulation agreements distributed in FCSE 299 and meet with an advisor for verification of substitute courses.
- Some of the courses required for this degree option may also satisfy General Education requirements. Refer to the 2007-2008 CSULB *Catalog* for G.E. requirements.

Minimum Units for the Degree:

BS: 131 total units, 40 upper division units, 51 general education units, 40 units in the major, 24 upper division units in the major. The Writing Proficiency Examination must be taken by the 1st semester of the junior year and passed prior to the graduation date.
