

**GREETINGS FROM THE DIRECTOR OF GRADUATE PROGRAMS  
DEPARTMENT OF KINESIOLOGY**

I am pleased you are interested in finding out more about the Graduate programs in the Department of Kinesiology at California State University, Long Beach. Students entering this program begin their quest of earning a Master's Degree in Kinesiology and achieving membership in an alumni family that now numbers over 6,000, many of whom are leaders in sport and physical activity in Southern California. Students are selected for admission based on outstanding academic performance as undergraduate students and potential for success in our program.

In the department web page, you will find a wealth of information. Be sure to check the Graduate Handbook as well as information related to the different graduate option areas. This will help you to become familiar with the policies and procedures of our Department and University and, hopefully, ensure that your experience with us as a graduate student will be more pleasant and successful. You may also apply to the university using the link found on the web page.

Again, I'm pleased you visiting our website and hope you will seriously consider applying to the program. Please contact me if you have questions.

Sincerely yours,

Dr. Grant Hill
