

Nurse Practitioner

Geriatrics/Gen Practice Exp. Preferred

Starting salary \$95,000+ DOE

On call: rotation basis every, for an entire week(7 consecutive 24-hour periods), every 3 weeks to start (covers weekday evenings, entire weekend, and any holiday that falls during the week on call). The call may be more often if one of the physicians is out of town or on vacation/CME.

Main work to include: History and Physical, progress notes, management and orders for Skilled Nursing and custodial patients in all the nursing homes we admit patients to and follow.

Note: Progress notes as needed, (vary in frequency from daily to monthly), per patients' medical conditions and care level.
