

POSITION AVAILABLE  
NURSING INSTRUCTOR/ PROGRAM DIRECTOR  
INFOTECH CAREER COLLEGE

(<http://www.infotechinst.com>)

Infotech Career College is an accredited, private postsecondary career college in the process of expanding our Nursing programs. We currently have an LVN program and are looking to add an RN program.

We are looking for an individual with nursing experience who has a passion for education. This is a job with multiple duties and is great for someone looking to gain experience in various aspects of the nursing education field.

Job Duties include:

- \* Teaching LVN classes
- \* Keeping track of student progress
- \* Program improvement and development
- \* Curricular development for LVN to ADN program

Qualifications:

- \* Current California active license as a Registered Nurse
- \* Baccalaureate degree or higher in any subject from an accredited school
- \* Minimum of three years experience as a Registered Nurse
- \* Experience in teaching or clinical supervision

Hours and rate will be discussed at interview.

To apply, please send your resume and cover letter to [amitagarg99@gmail.com](mailto:amitagarg99@gmail.com), or call Amita Garg at 562-804-1239.

Infotech Career College is located in the city of Bellflower at 16900 S. Lakewood Blvd., Suite #209, Bellflower, CA 90706.
