

**CALIFORNIA STATE UNIVERSITY, LONG BEACH**  
**DEPARTMENT OF ECONOMICS**  
**BACHELOR OF ARTS IN BUSINESS ECONOMICS**  
**(Code: ECONBA03)**  
**MAJOR REQUIREMENTS CHECK SHEET**

The Bachelor of Arts in Business Economics provides students with the tools of economic analysis and their application in a business environment. The Business Economics major prepares students for a variety of careers in the private or public sector. Students completing this major will have a solid foundation in microeconomic theory, macroeconomic theory, and quantitative methods. They will also have completed courses in international economics and business administration. The Bachelor's degree in Business Economics is excellent preparation for graduate study in economics, business administration, public administration and law.

To graduate from CSULB with a major in business economics you must:

- (1) Complete a minimum of 120 units, of which at least 40 units are upper division (300 or 400 level).
- (2) Complete the General Education Curriculum of which at least 9 units must be approved upper-division Capstone courses taken at CSULB. No more than 10 units of General Education courses in the student's major department may be used to satisfy the General Education requirement.
- (3) Complete the specific courses and units required in the major.

You must also maintain a 2.0 GPA in all of the following:

- (1) Your entire college record
- (2) All units attempted at CSULB
- (3) All courses in the major
- (4) All courses in the major completed at CSULB; and
- (5) All upper division courses in the major completed at CSULB

All courses leading to the major in business economics must be taken for a letter grade. Use this check sheet to monitor your progress toward your business economics degree.

**LOWER DIVISION REQUIREMENTS (minimum of 12 units)**
