

Applications are now available for the **American Association of Advertising Agencies' 2010 Multicultural Advertising Intern Program (MAIP)**. Our mission is to find the most talented multicultural students and give them a chance to gain valuable work experience through a 10-week summer internship at a real-world advertising agency.

Among our most important sources of qualified applicants are educators like you. We need your assistance in making multicultural students aware of this opportunity, and in identifying the best and brightest on your campus.

The MAIP Student Application can be downloaded from the following link at the MAIP Web site: <http://www.adunity.aaaa.org/page/students-1>.

Please share this information with your students--particularly those who show the greatest promise and commitment to a career in advertising--and pass it along to others at your school who can do the same.

The application deadline is 5 pm EST December 4, 2009. If you have questions or need further information, please contact me directly by telephone at (212) 850-0732, or by e-mail at [maip@aaaa.org](mailto:maip@aaaa.org).

Thank you, in advance, for your time and assistance.

Best regards,

Angela Johnson Meadows  
Manager, Diversity Programs  
American Association of Advertising Agencies
