

My name is Monique and I work for ChildNet Youth & Family Services. We are a nonprofit organization in Long Beach that has been serving vulnerable children and families since 1970. I am contacting you because ChildNet has a need for a journalism student volunteer to write various press releases, eBlasts and client success stories. Is this something that our organization can work with in conjunction with your department? Thank you for your time and I look forward to hearing from you.

Sincerely,
Monique Edwards
