

Hi, we are a small production company looking for students who have graduated who are Freelance Sportswriters. Is it possible to place an ad in your department?

Basically, we are looking for Freelance Sportswriters for a new online magazine. These writers will have exclusive access to professional athletes. If interested, they can email their resume to me at [ccapone@milkandmedia.com](mailto:ccapone@milkandmedia.com).

Can we still post it through your department? thanks!
