

Hello!

My name is Toby, and I am a Content Editor at Takepart.com. Do you think any of your students would be interested in the following opportunity?

Participant Media is looking for Research Interns for its social media website, TakePart.com. Participant's films include The Cove, Food Inc., The Soloist, The Visitor, Syriaana, and Academy Award®-winning An Inconvenient Truth.

TakePart.com tackles socially relevant issues and strives to find creative ways to educate and inform. Research interns will be collaborating with the New Media department by researching and writing about a variety of human rights issues. Applicants should have a strong interest in new media, social action, and an eagerness to learn. This is an exciting opportunity to get in on the ground floor of a start-up company!

This is an unpaid internship, but college credit is available. Please send cover letter and resume to: tshuster@takepart.com.

Thanks,
