“IN DREAMS BEGINS RESPONSIBILITY.”

-WILLIAM BUTLER YEATS

THE UNIVERSITY PLAYERS PRODUCTION OF WILLIAM SHAKESPEARE'S
A MIDSUMMER NIGHT'S DREAM IS DEDICATED TO THE MEMORY OF

Jacki (Snodgrass) Elliott

Jacki never tried to be a hero, a role model or an inspiration, but as she endured the challenges of her life with grace, love and joy, she touched countless others with her spirit. Much of what she shared would not have been possible without the miracle and science of organ donation. Give and let live. Be an organ donor.

From all the people Jacki touched, this tribute is our way of saying, “We love you back.” *A MIDSUMMER NIGHT'S DREAM* is a whimsical tale of star-crossed lovers. There is no better way to celebrate her life than with stories of love, our smiles and our laughter.
