12

13  
14 I. A request to change the name of an existing academic unit, e.g. college, department,  
15 university academic program, shall include justification, explaining the reason for the request  
16 and addressing as a minimum, the following questions:  
17

18 A. Mission of the academic unit: How does the proposed name more clearly fit the mission  
19 of the academic unit? Does the change reflect a change in the unit's mission?  
20

21 B. Curricular implications: Does the new name reflect past changes in curriculum? Does it  
22 reflect plans for future curriculum changes? Do any planned changes impinge on other  
23 academic units? If so, what are the plans for avoiding unnecessary duplication?  
24

25 C. Effect on the University: How will the new name assist students in finding the program  
26 they need? How does the new name make clear the differences between the academic  
27 unit and others in the University?  
28

29 D. Comparisons: What names are used for comparable academic units in other  
30 Universities in the CSU System and nationwide?  
31
