7 **Policy on Graduate Studies 700**  
8 (Revision of University Policy Statement 75-25)  
9

10 This policy revision was recommended by the Academic Senate on March 17,  
11 2005 and approved by the President on June 10, 2005.  
12

13 Every semester, graduate students must be registered in a course or in GS 700  
14 or must have an approved educational leave. Registration in GS 700 is restricted  
15 to graduate students who have completed all course work, have been advanced  
16 to candidacy, and have departmental approval. Registration in a course or in GS  
17 700 also is required in winter or summer session if that is when a student plans  
18 to graduate. Although no unit credit is added to the student's program or  
19 transcript, GS 700 is considered as one unit of concurrent enrollment credit for  
20 fee payment purposes, payable at University College and Extension Services.  
21 Application forms are available from and must be approved by department  
22 graduate advisors. Registration in GS 700 is CR/NC only.
