POLICY STATEMENT

NUMBER: 79-25

FILE:MINOR

**SUBJECT: MINOR IN BUSINESS ECONOMICS**

The following policy statement, recommended by the Academic Senate at its meeting of January 25, 1979, and approved by the President on August 28, 1979, is as follows:

**MINOR IN BUSINESS ECONOMICS**

The minor in Business Economics is equally suitable for students pursuing baccalaureate degrees in non-business and business fields. This minor provides students with a strong concentration in the economic tools most closely related to business decision making.

**Requirements for the Minor in Business Economics**

A minimum of 24 units which must include Accounting 202 or Mathematics 115B or a departmentally approved computer science course; Economics 200, 201, 310 or 333, 311 or 320; and three of the following: Economics 380, 420, 430, 432. Under certain circumstances, the student who declares Business Economics as a major in upper division status may, with departmental consent, substitute Economics 300 for Economics 200 and 201.

Effective: Spring 1980
