Faculty Fee Waiver Program

[Unit 3]

All eligible faculty unit employees may be granted approval to enroll tuition free under the **Faculty Fee Waiver Program** for two (2) courses or six (6) units, whichever is greater, per term, excluding the Ed.D. program. Units for the Ed.D. program are determined independently based on program course offerings.

Faculty Eligibility

- Tenured and Probationary faculty unit employees
- Temporary faculty unit employees with at least six (6) years of Full-Time Equivalent Service (180 units) in any ONE department OR three (3) Academic Year (AY) Contract
- Full Time Management Personnel Plan

Transfer of Eligibility

Faculty eligible for participation in the Fee Waiver Program may transfer their existing Fee Waiver benefit entitlement to a spouse, dependent child, or domestic partner under certain conditions.

- Eligibility may be transferred to a spouse OR a dependent child OR domestic partner.
["Dependent Child" defined: (1) your child or stepchild under age 23 who has never been married; (2) a child living with you in a parent-child relationship who is economically dependent upon you, under age 23, and has never been married; (3) your child or stepchild age 23 or above who is incapable of self-support due to a disability which existed prior to age 23"].
- Fee waiver benefits may be transferred to one person only, regardless of whether that individual uses the full entitlement of six units. One spouse or one child or domestic partner who uses less than three units of entitlement exhausts the entire entitlement for that semester.
- If both parents are eligible faculty, each parent may transfer his/her fee waiver benefit to the same eligible dependent or to two different eligible dependents.

Conditions of Dependent Fee Waiver

- Spouse, dependent child, or domestic partner must be matriculated toward a degree and the course(s) enrolled in on a fee-waiver basis must be for credit toward completion of that degree.
- A spouse, child or domestic partner taking classes leading to the attainment of a teaching credential is also eligible for fee waiver enrollment.
- The fee waiver is applicable to in-state tuition only.
- Campus administration must determine that space is available in a particular class for the dependent.
- Eligible spouses, dependent children, or domestic partners may enroll using the fee waiver at any CSU campus.

Continued Eligibility

- Normal academic standards must be maintained in order for a spouse or dependent child to continue participating in the fee waiver program.
- Must have a valid active employment/contract.

Fees:

Faculty - The following fees are reduced to \$1.00: Student Body Association Fee, Student Union Fee, and Health Facilities Fee

Spouse/Dependent Child/Domestic Partner: The following fees cannot be waived and will apply: Student body Association Fee, Student Union Fee, Health Services Fee, and Health Facilities Fee. [A spouse, dependent child, or domestic partner taking CSU courses in addition to fee waiver courses shall pay the difference between the part-time State University Fee and the full-time State University Fee.]

READ - IMPORTANT: Tax Issues Related To Enrollment

Faculty unit employees, spouses/dependent child/domestic partners may enroll in undergraduate and graduate level courses. Educational assistance payments for fee waiver participants taking graduate level courses are considered taxable income. All undergraduate and graduate level coursework taken by an employee's domestic partner through the Fee Waiver Program is also taxable.

The Faculty Fee Waiver Program Application form **MUST BE COMPLETED EACH TERM** in order to transfer employee fee waiver benefits.
