Name: _____

College: _____ Department: _____

Appointment Year: _____

I was appointed in Fall 2009 or later:

Faculty members whose hire date is Fall 2009 or later, including those with service credit, will be governed by all new (2010) RTP policies. You do not need to complete the remainder of this form.

I was appointed prior to Fall 2009:

Faculty members hired prior to Fall 2009 have the choice to be reviewed under either the old (1996) or the new (2010) set of RTP policies. Faculty members will choose one set of policies and will not be allowed to “mix-and-match” policies. That is, all old University, college and department policies or all new (2010) University, college, and department policies. Once the file has been submitted on Oct. 4, 2010 (for Reappointment, Tenure, and Tenure and Promotion), or Oct. 18, 2010 (for Promotion only), or Feb. 7 2011 (for Mini review) your choice becomes irrevocable.

Please mark your selected policies in the space provided below. This form must be included with your RTP file when it is submitted to your department RTP committee.
