Introduction

The Department of Dance is a rigorous program that provides training in dance with a strong foundation in modern and ballet technique and choreography. Physical practice interfaces with theoretical study, placing dance in a historical, pedagogical, scientific, and cultural context. The Department also provides opportunities for the general university student through courses for the non-major. Performances, master classes and residencies also contribute to the artistic enhancement of the campus and community.

All new undergraduate students enter the major under the BA degree. A separate audition for entrance into the BFA degree is required when students have completed specific coursework and have achieved required levels of competency. Entrance to the major or minor in dance is by audition. Applicants may download audition information from the web or may contact the Department of Dance Office. Non-major classes are open to all students and do not require any audition.

The Department of Dance is an accredited institutional member of the National Association of Schools of Dance. Due to accreditation standards, new transfer students are expected to have trained in both ballet and modern dance technique each semester of their community college preparatory years in order to achieve the technical proficiency required for graduation.

Master of Fine Arts in Dance

This 60-unit plan of study emphasizes choreographic exploration and presentation in addition to preparation for potential teaching careers in higher education. The program integrates the MFA candidate into the Department through theoretical and practice-based study, teaching opportunities, production preparation and study, and a thesis project that includes presentation of original choreography on the CSULB campus.

The Department of Dance has chosen to keep the MFA degree program small and selective in order to provide adequate resources to all students in the degree plan. Though the Department seeks candidates whose experiences include professional-level investigation and activity beyond baccalaureate study, choreographers of any genre of movement or dance practice are encouraged to apply to the MFA in Dance.

Student Learning Outcomes
