Standard Address Conventions

Country:

- This field defaults to USA. If the employee's home address is not in the United States, use the lookup feature to enter the appropriate country.

Home Address 1:

- This field cannot be left blank – it must have an entry. This field will be the employee's home (residential) address.
- The home address cannot be longer than 28-characters, including spaces and punctuation. (PS Delivered is 35-characters, but we need to match CIRS & PIMS).
- If the employee has a separate mailing address, enter this information under the Mailing Address link.

Format

- [Street Number] space [Street Name] space [Abbreviated Label without a period (Ave, St, Blvd, etc.)] space #[secondary address unit designator] *Refer to the attached list of approved Postal Service abbreviations.*
Ex: 1250 Bellflower Blvd #355
- If the residence contains an apartment, unit, or building reference, enter the # sign and the number. Do not enter Apt or Bldg
Ex: 5858 Garford St #402
- To save on keystrokes, periods are not required when entering Post Office Boxes or Private Mail Boxes
Ex: PO Box 1286
Ex: PMB 102
- If the address contains a fraction (i.e.: ½, ¼, etc.), then separate fraction from the rest of the numerals with a space.
Ex: 289 1/2 San Fernando Msn Rd.

Home Address 2 & 3:

- Will not be picked up on mailing labels.
- Will not be used in PeopleSoft.

City:

- The employee's home address city cannot be longer than 23-character field, including spaces and punctuation. (PS delivered is a 30-character field, but we need to match CIRS & PIMS).
- Use abbreviations as little as possible.
Ex: Rancho Santa Margarita
Ex: San Juan Capistrano

**State:**

Must use state's 2-digit abbreviation.

Zip:

Enter either a 5-digit or a 9-digit zip code, depending on the information provided to us by the employee. Due to PIMS restrictions, only the 5-digit zip code will be entered in PIMS.

Mailing Address:

- This address will be used for W-2's and other campus mailings. If the employee provides no mailing address, enter the employee's home address in Mailing Address. Mailing Address cannot be blank- it must have an entry.
- The mailing address cannot be longer than 28-characters, including spaces and punctuation. (PS Delivered is 35-characters, but we need to match CIRS & PIMS).
- If the employee's home address is different than their mailing address, enter this information in the Address page.
- The same formatting rules used in Home Address 1 field apply to the Mailing Address field.

Standard Address Conventions

California State University at Long Beach Standard Address Conventions

**RULES:**

1. Home and Mailing Address fields must always be completed. They cannot be left blank.
2. Try not to abbreviate **street names** unless absolutely necessary. Refer to the attached lists for approved Postal Service abbreviations. In PIMS, the address cannot be longer than 28 characters (including spaces and punctuations).

Ex: 4821 Garden Grove Blvd (Not: 4821 G. G. Blvd.)

Ex: 1908 Pac Coast Hwy #2A (Not: 1908 Pacific Coast Highway Apt. #2A since this exceeds the 28-character limit.)

➤ Acceptable PS street name abbreviations:

Pacific Coast Highway	=	Pac Coast Hwy
Martin Luther King Boulevard	=	M L King Blvd
Los Coyotes Diagonal	=	Los Coyotes Diag

3. Do not use any **secondary address unit designators**, or its abbreviated version form (i.e., Apt, Unit, Floor or Bldg.). Due to space limitation, secondary address unit designators should be replaced by the # sign.

Ex: 3200 Broadway #4 (Not: 3200 Broadway Apt. #4)

4. Try not to abbreviate **city names** unless absolutely necessary. In PIMS, the city name cannot be longer than 23 characters (including spaces and punctuations).

Ex: Los Angeles (Not: L.A.) or Marina Del Rey (Not: Mdr)

Ex: RPV Estates (Not: Rancho Palos Verde Estates since this exceeds the 23 character limit)

5. Abbreviate **directionals** (i.e., N, E, NE, SW, etc.) to the appropriate one- or two-characters, without a period, if it is not the primary street name.

Ex: 5353 E 7th St (Not: 5353 East 7th St)

Ex: 112 S Date St W (Not: 112 South Date St West)

Ex: 3809 South St (Not: 3809 S St)
