President's Mixer to bring student leaders together

» DATE:

October 14, 2009
For Immediate
Release

Long Beach, CA – Newly elected officers from campus organizations and clubs come together with Associated Students, Inc. each year to mix and mingle, and this year, they will do it in bowling shoes.

On Wednesday, Oct. 21, 2009, the Associated Students will host the President's Mixer at 3 p.m. in the University Student Union Bowling Alley.

"It gives students a chance to come and network and go bowling and to talk about what ASI can do for you," said Beach Pride Coordinator Chance Decker.

Presidential meetings are a tradition upheld by our greatest leaders in history if not for the simple fact that it calls for mutual cooperation between different groups.

Whether it is an organization that focuses on European culinary arts or one that comprises comic book enthusiasts, all representatives are welcome.

While they bowl the evening away, student presidents will bring forth their ideas and hopes for the new CSULB semester. The afternoon will be a flurry of students with diverse interests, free bowling, food and hopefully ending with mutual appreciation of each other.

For more information, contact the Awards Commissioner Destiny Davis in the Beach Pride Center at 562.985.2535.

ASI is owned and operated by students under the advisement of professional staff. ASI has followed its mission to improve the quality of campus life for students since 1956. ASI proudly dedicates its resources to providing essential activities that enhance the students' educational experience and aid in their overall development. Services provided by ASI to the Cal State Long Beach community include, but are not limited to, the University Student Union, the Isabel Patterson Child Development Center and the Recycling Center. The organization is an auxiliary under the Division of Student Services at California State University, Long Beach. For more information about our unique organization and the services we provide, please visit the ASI website at <http://www.csulb.edu/asi>.
