DECLARATORY JUDGEMENT

TO: John Gorey

FROM: Associated Students Judiciary

In reviewing the Declaratory Judgment requested by John Gorey, the Court finds that Chapter II, Article III, Section 3, Part C, 1-a which states that: "The function of the Elections Commission shall be to organize and supervise all elections conducted by the Associated Students" shall be interpreted to mean "to establish procedures, organize and supervise all Associated Students Elections" due to the authority vested in the Elections Commission through Bylaws Article VI, Section 6-b/<sup>WAW</sup> which states: "To elect people to positions other than to A.S. Offices: Such elections shall be supervised by the A.S. Elections Commission and organized by special committees as delegated by the Elections Commission."

In this instance the Court interprets "organize and supervise" to mean "establish procedures for."
