The event will be mediated by Dr. James Saucedo, founder and director of the Multicultural Center on campus. The event is open to all students as a communication forum to discuss issues that face the campus and how they are affected by cultural bias.

“We are doing this event because we see segregation between cultural organizations,” said AS Government Secretary of Campus Diversity Darshan Rangnath. “Anyone, no matter what their ethnicity, should be more than comfortable to walk into a Latino, Pacific Islander, or African American organization and feel welcomed -- not the odd one out.”

The event is collaboration among ASI, the Leadership Resource Center and the Multicultural Center. For questions on this event please contact Darshan Rangnath, AS government secretary of campus diversity at Darshan.rangnath@gmail.com or 562-985-5241.
