WHAT: The Associated Students president will give the first ever state of the corporation address. President Mistry will touch on her goals for the corporation, she will share the status of the AS budget (how monies are utilized), she will share vacancies within government and the corporation, and she will discuss changes to AS facilities, including the recent addition to the Isabel Patterson Child Development Center. She will also highlight the corporation's exceptional accomplishments from this past year.

WHY: This address is a new addition to the AS Bylaws that requires all future President's to do the same. This is also the perfect way to let the CSULB community know the recent developments of one of the largest entities on campus that provides student services outside of the classroom.

WHEN: Wednesday, February 14, 2007 at 4 p.m. (approx 45 min.)

WHERE: University Student Union Ballrooms A, B and C.

WHO: Sponsored by Associated Students, Inc. For more information contact ASI Assistant Director, Student Involvement & Leadership Kim Hinckson at 562-985-5241 or check the website at www.csulb.edu/asi.

ASI is owned and operated by students under the advisement of professional staff. ASI has followed its mission to improve the quality of campus life for students since 1956.
