Registration: LBCC Libraries welcome visiting scholars (students, faculty, staff, and administrators) from institutions which have signed partnership agreements with the library. Present evidence to the LBCC Circulation Desk of currently enrolled/employed status at the partner institution (photo ID card with current semester fee payment sticker) to obtain borrowing privileges.

Parking and bus access: On weekdays, parking at LBCC is by permit only. Visitors to the LAC campus should park in Lot J (Carson and Clark), where daily permits are available for \$1 from a yellow dispenser box. At the PCC Campus visitors are asked to obtain a daily permit and park in Lot 3. Alternatively, the PCC campus is served by the 7, 171, 172, 173, and 174 routes of Long Beach Transit; LAC is served by the 93, 101, 103, and 112 bus routes.

Loan period: Books are checked out for three weeks to students, 120 days for faculty and staff, subject to recall after three weeks. Periodicals and pamphlets are checked out for one week. Reserve items and bound periodicals are not available for loan to reciprocal borrowers.

Returns: It is the responsibility of the borrower to return items directly to LBCC libraries on or before the date due.

Library obligations: Fees are assessed for the late return of periodicals and cd's and videos. Any costs for replacement of lost or damaged materials are the responsibility of the borrower. Failure to satisfy any LBCC Library obligations may result in suspension of borrowing privileges and/or access to transcripts and registration at the borrower's home library until the obligation has been settled.

Electronic Information Resources: Remote access to information databases licensed by LBCC Libraries is restricted to the LBCC campus community, as is first priority for use of the research centers located at LBCC Libraries.

Excluded Collections and Services: LBCC Libraries regret that Interlibrary Loan services cannot be extended to reciprocal borrowers. Items placed on reserve for LBCC classes similarly are unavailable.
