

LATIN AMERICAN STUDIES PROGRAM
Presents

Prof. Ariel Gutiérrez
University of Miami

“Theatrical Cartographies: an urban approach to theater in the global City”

Tuesday, May 12
4:00-5:30pm
Anatol Center (Library East)

Dr. Ariel Gutierrez teaches at the University of Miami and his research deals with issues of globalization, the transformations of urban space and its impact on theatre production and aesthetics. His articles have been published in Argentina, Cuba and the US.
