Agenda
Campus Sustainability Task Force Meeting
Career Development Center, BH-250
January 24, 2011
3:00 - 5:00pm

- Welcome from the Co-Chairs (Mary, Paul L., Reza)
- Introduction of Sustainability Task Force Members (All)
- Statement of Purpose & Charge of Sustainability Task Force (Mary or Paul L.)
- Review of the American College & University Presidents Climate Commitment and State law (AB 32) and the targets for the reduction of carbon emission. (Paul W.)
- Review areas on campus where sustainability efforts are already underway. These areas will be asked to outline their current activities, initiatives they would like to pursue and discuss obstacles they’ve faced in trying to expand their sustainable efforts: (Reza)
  - Facilities Master Plan – David Salazar
  - Landscaping Master Plan – David Salazar
  - Parking/Transportation – Mark Rudometkin
  - Purchasing – Laurinda Fuller
  - Curriculum – Paul Laris
  - ASI – Dave Edwards/James Ahumada
  - Food Service/Bookstore – Don Penrod
  - Information Technology – Roman Kochan
  - Residential Housing – Carol Roberts-Corb
  - Foundation – Brian Nowlin

- Ideas for easily achievable sustainability projects to be accomplished in one year. (All)
  - Campus-wide use of recycled printer cartridges
  - Increase recycle bins on campus
  - Increase curriculum focusing on sustainability, etc.

- Establishing Task Force sub-groups: this will allow us to focus on specific efforts and priorities, and to get more individuals on campus directly involved--particularly faculty and students (Reza)
- Overview of July 2011 Higher Education Sustainability Conference @ CSULB and participation of Sustainability Task Force members (David and Paul W.)
- Communication Plan (Beach Board) (Reza )
- Establish Task Force Meeting Schedule (Mary)
- Next Steps (Mary, Paul L, Reza)
