

CHEMICAL HYGIENE PLAN TRAINING FORM

Name _____ Department _____

Lab Location _____ Lab Phone _____

P.I./Empl/Stud _____ Empl/Stud ID _____

Cal/OSHA (Title 8 CCR Sec. 5191) requires that all laboratories have a written Chemical Hygiene Plan (CHP) as a fundamental chemical safety plan for the laboratory. All laboratory personnel who work with chemicals must comply with the guidance outlined in the CHP. By your signature below, you acknowledge that you have read and understood the contents of this plan and know its location within the laboratory.

The Laboratory Standard (29 CFR 1910.1450) and/or The Hazard Communication Standard (29 CFR 1910.1200) and/or EPA Regulation 40 CFR 265 further requires the following training: General Laboratory Safety; Laboratory Specific Safety; and Hazardous Waste (as applicable), as well as PPE Awareness Training. This training must be provided at the time of the employee's/students initial assignment, on a refresher basis at least annually and upon updating procedures. Document specific employee training below:
