

CALIFORNIA STATE UNIVERSITY LONG BEACH
College of Natural Sciences and Mathematics
Teaching Associate Positions

Recruitment #: 181909

Position:

Teaching Associate (Openings in [Mathematics and Statistics](#))

Effective Date:

August 20, 2018 for Fall 2018; January 22, 2019 for Spring 2019

Salary Range:

\$576.00 to \$600.00 per month, per 3-unit course, paid in SIX monthly installments

Minimum Qualifications:

- BA or BS degree in with at least 24 units of upper-division Mathematics and at least a 3.0 GPA in all upper-division Mathematics courses. Must be enrolled in a graduate degree program in the Department of Mathematics and Statistics at CSULB (Pure Math, Applied Math, Statistics, or Math Education). Must maintain at least a 3.1 GPA once in the graduate program
- Ability to communicate effectively with an ethnically and culturally diverse campus community

Duties:

Teach lower-division courses in mathematics under faculty supervision. Assignments will normally include two classes.

Notes:

Graduate students must be enrolled in at least 1 unit during each semester employed unless program courses are not available or all course work (except thesis) has been completed, in which case enrollment in GS7—is permitted. **This is university policy.**

The Department of Mathematics and Statistics at California State University, Long Beach is committed to building a more diverse faculty, staff and student body as it responds to the changing population and educational needs of California and the nation. We seek applicants and nominations from those who have experience teaching, mentoring, and developing research in ways that effectively address individuals from historically underrepresented backgrounds. California State University, Long Beach is an affirmative action/equal opportunity employer.

Required Documentation:

Letter of application, resume giving evidence of meeting above qualifications, and Department “Application Information Form” (available on the department website or from the department office), a short essay why you want to be a TA, three current signed letters of recommendation, and copy of transcript. All required documentation must be received prior to consideration for position. Be aware of deadlines below. Finalists will be required to submit a signed SC-1 form and an official transcript.

Application Deadline:

July 23, 2018 for Fall 2018; November 1, 2018 for Spring 2019

Applications, required documentation, and/or requests for information should be addressed to:
