

CLERY INCIDENT REPORT

One important purpose of the Clery Act is to encourage the accurate collection of campus crime statistics in order to promote and enhance campus crime awareness and campus safety through reliable statistical crime reporting. The purpose of this report form is to provide Campus Security Authorities (CSAs) with a uniform mechanism for documenting the (who, what, when, where) of crimes reported to them, especially, confidential reporting.

Clery provides the following definitions for reporting locations.

- 1) **On-campus property:** Any building or property owned or controlled by the University within the same reasonably contiguous geographic area and used by the University in direct support of, or in a manner related to, the University's educational purpose, including any buildings or property that is owned by the University but controlled by another person and which is frequently used by students and supports institutional purposes such as a food or other retail vendor. (Excluding Residential Colleges)
- 2) **On-campus Residential Colleges. (Hillside, Parkside and Beachside Colleges)**
- 3) **Non-campus property:** Any building owned or controlled by a student organization that is officially recognized by the University; or any building or property owned or controlled by the University that is used in direct support of, or in relation to the University's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the University (includes Blair Field/Greeks/Foundation, etc.).
- 4) **Public property:** All public property, including thoroughfares, streets, sidewalks, parking facilities, that is within the campus, or immediately adjacent to and accessible from campus.
- 5) **Off campus:** Locations not included above.

Data collected on this form shall not include personal identifying information. The student status of the offender or victim is not a relevant fact when determining if a report should be accepted **All reports involving any of the listed crimes must be documented and reported to the University Police Department.** The annual Clery statistical count shall be determined by the University Police Department. Use a separate report form for every Clery reportable incident; if in doubt... file a report.

A Campus Security Authority (CSA) is defined in the Annual Clery Report and on the reverse side of this form.

Sex Offense: Sex offenses are of special concern to the campus community because historically they have been under reported. The victim of a sex offense typically desires confidentiality and anonymity; as a result, he/she will often seek a reporting source other than law enforcement such as a designated Campus Security Authority. Because the sex offender may continue to pose a threat to the community, the threat potential needs to be quickly evaluated and the campus community alerted/warned as deemed necessary. In this regard, the following additional information is requested.
