VENDOR PROGRAM

California State University Long Beach

INTRODUCTION

The 49er Shops hosts a year-round Outdoor Vendor Program on the campus of California State University Long Beach. CSULB is a 322-acre campus that houses 80 permanent buildings with 63 academic departments and programs. The campus has a population of over 37,000 students with an additional 5,000 staff and faculty.

Situated at the heart of campus, the Outdoor Vendor Program is ideally placed directly in front of the University Bookstore and University Dining Plaza, and adjacent to the University Student Union. Located along one of the main campus thoroughfares, an estimated 10,000 students walk this main pathway daily.

With its prime location on one of California's largest college campuses, the Outdoor Vendor Program at CSULB is a highly desirable program to be a part of. We are always looking for new vendors to meet the needs of our student body while providing a unique and exciting shopping experience.
