

Campus Safety Plan 2018

AVAILABILITY, LOCATION, AND METHODS TO SUMMON LAW ENFORCEMENT ASSISTANCE

The University Police Department provides 24-hour service to protect and render aid to the University community. Police Dispatch can be reached directly 24 hours a day by phone at 562-985-4101. The University Police station is located at 1250 Bellflower Blvd. Long Beach, California 90840 off of Palo Verde Ave. in parking lot #11 across from the Student Health and Wellness Center. The peace officers of Long Beach State have state-wide police authority and jurisdiction per Penal Code 830.2 and Education Code 89560, and are vested with law enforcement powers and responsibilities, identical to the local police or sheriff departments in your home community.

Crime Reporting

The campus community is strongly encouraged to report all known or suspected incidents of criminal activity on campus to the University Police Department as soon as possible. When calling the University Police Department always:

- Provide your name, telephone number and location
- Give clear and accurate information
- Be prepared to supply suspect and vehicle description, and direction of travel
- DO NOT HANG UP! Follow the instructions of the Dispatcher

By Telephone Contact:

- Emergency: 9-1-1
- University Police: (562) 985-4101
- Text to 9-1-1

Emergency Blue Light Call Stations

The button is pushed, the blue strobe light flashes from the top of the phone tower, the University Police dispatcher is notified immediately and an officer is sent to the location of the telephone. There are more than 50 of these call stations throughout campus.

In Person Contact:

- Main Station: Brick building located south of the Student Recreation and Wellness Center, off Palo Verde Ave.
- Sub-Station: Located on the second floor of the University Student Union (USU Room 239), in the outdoor courtyard.

SPECIAL SAFEGUARDS FOR FACILITIES OR ACTIVITIES

Security of and Access to Campus Facilities

All campus facilities are key-accessed and most are open daily for scheduled campus community use. Campus key control and distribution is a function of the University Facilities Department. A

few buildings owned and controlled by Associated Students Incorporated and the Auxiliary Services Corporation utilize their own personnel to lock the buildings.

Security Considerations Used in Maintenance of Campus Facilities

Regular inspections and surveys of campus indoor and outdoor lighting, shrubbery and walkways are conducted. The University Police works in conjunction with Physical Planning and participates in Crime Prevention through Environmental Design concepts.

Special Event Safety Planning

Preparation for large events on campus involve the creation of Incident Action Plans, according to the Standardized Emergency Management System and in collaboration with mutual aid agencies and contracted safety personnel.

New Student Orientations

University Police personnel provide personal safety tips and emergency contact information to new students on a regular basis. Students are informed of policies, voluntary confidential crime reporting procedures, and safety programs through regular outreach through email, social media, and tabling at events throughout the academic year.

New Employee Orientations

The offices of Safety & Risk Management and Human Resources present safety policies and procedures to new employees by in-person orientations. Employees are informed of injury and illness prevention, workplace violence prevention, confidential victim/survivor counseling services, safety programs, and voluntary confidential crime reporting procedures.

ACTIONS IN THE LAST 18 MONTHS TO INCREASE SAFETY

1. Continuing to use an exterior public address system to compliment and improve the effectiveness of the Beach Alert Emergency Notification System.
2. The project to change the door lock hardware on classrooms to enable the door to be locked from the inside without a key to meet ADA standards is continually being sought.
3. Shelter in Place drills on campus. This is part of the Run-Hide-Fight program for active shooter
4. Provide multiple safety workshops and trainings on topics including sexual assault prevention, alcohol poisoning, bystander intervention, healthy relationships, violence prevention, active shooter response, fire safety, and personal safety.
5. Infrastructure data base; CalCOP system enables the user to access critical infrastructure information relevant to buildings on campus. This information assists in the detailing of critical need deployment in time of emergency for emergency personnel.

CHANGES IN SAFETY PRECAUTIONS DURING THE NEXT 24 MONTHS

1. Continue to upgrade the door lock hardware on classrooms to enable the door to be locked from the inside without a key in support of safety concerns in an active shooter situation.
2. Install additional cameras to the campus.
