If you currently hold a teaching credential, **please answer questions 1-3**; if you do not hold a teaching credential **please skip to question 4**:

1 Type of Credential:     Multiple Subject     Single Subject     Other

2 Where & when (year) did you get your credential? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

3. How did you demonstrate subject matter competency?     Waiver Program     Test  
a. For Multiple Subject credential holders: What (if any) was your concentration area?

\_\_\_\_\_

b. For Single Subject credential holders: In what subject(s) is (are) your credential?

\_\_\_\_\_

4. If you do not currently hold a teaching credential

a. please describe your science background.

b. please describe your teaching experiences (private school, museum education, etc.)

Please attach a current copy of your resume or curriculum **vita** and the above **essays** onto this application. You will also need to include **transcripts** (unofficial copies are okay for your department application) and documentation for your **credential**, or for those without credentials (especially those applying for the informal education option) comparable evidence of your teaching experience (**letters** from current or previous employers on institution letter head).

You will need to have **two confidential recommendation letters**, sent under separate cover. At least one of the letters must be from an administrator or supervisor at a school where you are (or were) employed.

**Please note: the department and university GPA requirements are different. The department's GPA requirements are higher than those of the university.** See the website for details ([www.scienceteaching.org](http://www.scienceteaching.org)).

Send your completed application to:

Dr. Alan Colburn  
Science Education Department  
California State University, Long Beach
