

Newberger Math 112-10 Spring 2005

Homework: Matrices III

1. Read Examples 5, 6 and 7 page 522.
2. For practice, do problems from page 526 #15-38. Do not turn in practice problems.
3. On your own paper, neatly write out your solutions to problems #26, #28 and #30. Show your steps, and write large enough that it is easy to read.
