

You will have a short quiz on Tuesday, February 6 that will include exercises similar to some the following questions. You do not need to turn in your answers to these questions.

Drill Section 12.1.

- Page 669 #7-11
- Page 669 #15-19
- Page 669 #21-27

Drill Section 12.2

- Define each of the following words: experiment, trial, outcome, sample space, event. (These definitions can be found at the top of pages 675 and 676).
- Page 685 #15-29
- Explain what empirical probability means (see page 682).
- Page 687 #52-56

Tip: Figure out in advance what you are going to write for the definitions. Some of them are guaranteed to be on the quiz.
