

The following previous SOC 100 students would like to sell their copy of the Henslin (10th Edition) text directly to a student who will be taking the class.

Note: (1) Make sure you are getting the 10th edition, and
(2) If you are buying the looseleaf version, make sure your text includes all the pages.

If you do buy one of these texts let me know, so I can take it off the list.

Thanks...

Hicks
