

CALIFORNIA STATE UNIVERSITY, LONG BEACH

# THE MATHEMATICS COLLOQUIUM

presents

Dr. Darin Goldstein

California State University, Long Beach

speaking on

*Annoying Einstein*

Friday, February 25, 2005

12:00PM-1:00PM

LA5-267

**Abstract:** In this talk, I will give a brief survey of the foundations of quantum computation, a field of computer science/mathematics/physics that Einstein believed should not be physically possible.
