Dear Students:

Welcome to the CSULB Department of Dance and to the start of the 2021-22 school year. The faculty and staff are thrilled to welcome you to campus after an extended hiatus. We are all invested in your success and well-being. This year, we must work together to ensure each other's health and safety. We have numerous COVID-19 guidelines in place this fall, but these guidelines can only help to protect us if they are followed by every member of the community.

This handbook provides a quick and comprehensive guide to our program and important campus resources. You'll find descriptions of the undergraduate dance degrees and course requirements, important departmental information about performance and choreographic opportunities, scholarship awards, and the department faculty and staff directory. I encourage all of you – whether you are a returning student, or new to campus, to read the handbook carefully and refer to it throughout the year. I also urge you to reach out to me – your department chair, and to the faculty and staff if you have any questions or concerns.

Special thanks to Gregory Crosby and Sylvia Rodriguez-Scholz for formatting this year's addition.

STATEMENT OF SOLIDARITY AND COMMITMENT TO ACTION

CSULB faculty and staff stand in solidarity with our BIPOC students and commit ourselves to creating a space where BIPOC artists are empowered to fulfill their artistic and educational goals. To do so we must first acknowledge that the history of dance in US higher education is rooted in curricula, policies, and practices that have systematically restricted and excluded BIPOC bodies from participation. We commit ourselves to creating policies and procedures that are anti-racist, just and humane, as we continue the work of creating aesthetic equality in our curriculum, audition practices and pedagogies.

CSULB DANCE MISSION STATEMENT

Our faculty and staff are committed to creating an inclusive, student-centered community where you will discover educational pathways that reflect and expand upon your creative potential, intellectual curiosity and career aspirations. We offer a holistic approach to the study of dance that integrates courses in dance history and ethnography, dance science, design and production, and pedagogy with dance-making, physical training and an array of immersive creative and research opportunities. Through these experiences, we seek to equip each of our graduates with the skills, knowledge, and confidence to engage in the dynamic field of dance and to contribute to its vitality as artists, scholars, educators, and advocates.

ABOUT CSULB DANCE

California State University, Long Beach was the first university within the California State University system to offer a B.A. in Dance degree. Today it is the only CSU campus to grant a Master of Fine Arts (professional degree), as well as a Master of Arts degree specifically designed for K-12 dance educators. The Department of Dance has enjoyed steady growth since its inception in 1970, and has approximately 160 dance majors, minors, M.A., and M.F.A. candidates. The Department has been accredited by the National Association of Schools of Dance since 1982, and was reaccredited in 2013.

CSULB Dance offers three newly revised undergraduate degree programs and a Minor in Dance. The B.A. in Dance provides a balanced course of study preparing students for an array of careers including performance, dance education, arts administration, health and wellness fields, and graduate study in Dance, all while allowing a student the ability to pursue a minor or possibly a double-major in a department outside of dance. The B.F.A. in Dance is designed to prepare students for professional careers as performers and/or choreographers. The B.A. in Dance, option in Dance Science adds scientific depth to help prepare students for careers in dance medicine, somatics, dance education, or graduate study in related areas such as physical therapy, athletic training, and kinesiology. The Dance Minor offers students the opportunity to study dance at the university while pursuing another major and without having to pass the Dance Major audition.

The department is housed in the 90,000 square foot CSULB Dance Center. Designed specifically for dance instruction and production, the complex includes six large studios, one hybrid studio/classroom, an instructional classroom, a state-of-the-art dance clinic, a Pilates training facility, a computer and video lab, a large costume shop, a sound production studio, and the intimate Martha B. Knoebel Dance Theater. We are extremely fortunate to work, study and create in an all-embracing facility dedicated to the study of dance.

Under normal circumstances, the department produces four to five main stage concerts and several informal studio performances each academic year that serve as primary mechanisms for the development of student artistry and choreographic experimentation. As a result of the ongoing pandemic, we plan to produce three concerts for our 2021-22 season. All production related activities will adhere to public health guidelines that safeguard the health and welfare of our community.

The Department has participated in the regional conference of the American College Dance Association annually, and hosted the 2020 Baja Regional conference. As we learn more about ACDA's plans for 2021-22, we will share it with you.

THE CSULB DANCE COMMUNITY

The Department of Dance is much more than a large facility; it is the workplace and second home for a group of dedicated dance professionals and artists. Our department and university are dedicated to helping students through tough transitions and unexpected circumstances. The department chair, faculty and staff are wonderful resources in guiding students to the proper resources that can help lead to happier and more successful college experiences. Students seeking guidance or information regarding healthy life choices, nutrition, or eating disorders, and other health issues are encouraged to speak with Head Athletic Trainer John Siegel in the Dance Clinic.

MOVEMENT MENTORING SESSIONS WITH DR. BROOKE WINDER

Movement Mentoring Sessions are available to any interested Dance Major within the CSULB Department of Dance. During Movement Mentoring Sessions, dancers consult with Dr. Brooke Winder, Physical Therapist and Coordinator of the Dance Science BA, regarding challenges in their dance technique/specific dance skills, minor aches/pains, area of stiffness or weakness, or related concerns about exercise or injury prevention.

Movement mentoring sessions are scheduled in advance and are approximately 45 minutes in length. During the session, Dr. Winder will analyze and discuss the participant's movement via a series of explorations, including some or all of the following: posture, gait (walking), balance, specific upper/lower body strength, flexibility and joint mobility, core and breathe control, and specific dance movement relevant to the individual dancer's concern or goal. Through the analysis, the dancer will learn about their own specific strengths and areas for improvement. They will then be guided through individualized exercise and self-care techniques to help them work toward their specific wellness goal. During the session, Movement mentoring directed study students will also observe, ask questions and practice their analysis and exercise prescription skills.

The goal of these sessions is for Department of Dance participants is to access an individualized wellness assessment and plan that empowers them with specific knowledge about their own body and how to better care for it from a musculoskeletal standpoint. Students may participate in more than one Movement Mentoring session.

THE DANCE CLINIC

The Dance Clinic, located on the second floor of the Dance Center, provides dance majors with access to conditioning and weight training equipment, Pilates equipment, therapeutic treatment for minor injuries, and consultation in health and fitness with Head Athletic Trainer John Siegel, a Certified Athletic Trainer. Because the nature of dance activity is physically demanding, each major is encouraged to consult with Mr. Siegel early in their education at CSULB to best prepare her/himself/themselves for the rigors of life as a dance major. We strongly encourage all dance majors to maintain good health and conditioning by eating properly, sleeping as much as possible, maintaining a healthy weight, and cross-training to provide a needed supplement to dance activities. If you are experiencing issues that impact your well-being, please reach out to Mr. Siegel and the Department Chair, so that we may provide assistance with the appropriate resources.

Note: it is the responsibility of each major to notify dance instructors if/when a particular physical condition or injury prohibits full participation in a studio course or rehearsal. It is also the responsibility of each major to work with their

instructors and Mr. Siegel to find/create a program for optimal health and fitness as soon as possible in order to return to full participation.

DEGREE DESCRIPTIONS & ADVISING

There are three distinct undergraduate degree paths offered in the CSULB Department of Dance. These will be explained in DANC 100-Orientation to Dance and DANC 300-Transfer Orientation to Dance. All three undergraduate degree paths contain a core of lower-division foundation courses, and are nearly identical during a student's first year of study.

We encourage each of you to investigate the differences between these degree paths, and to choose an undergraduate degree path by the end of the first year of study at CSULB Dance. The best way to learn more about degree options is by reaching out to faculty members and Undergraduate Advisor Kirsten Sumpter. Please make an appointment with our Undergraduate Advisor Kirsten Sumpter using Beach Connect.

Visit the Undergraduate Advising page for additional details.

BA Degree http://catalog.csulb.edu/preview_program.php?catoid=6&poid=2809

All students enter CSULB Dance in the Bachelor of Arts (BA) degree, which provides a balanced course of study that prepares students for careers as performers, educators, arts administrators, health, wellness and fitness specialists, and graduate study in dance or a related field.

BA, Option in Dance Science Degree

http://catalog.csulb.edu/preview_program.php?catoid=6&poid=2810

Students interested in the B.A., Option in Dance Science should meet with Program Coordinator Dr. Brooke Winder no later than the start of their 2nd year (earlier for transfer students) in addition to meeting with Kirsten Sumpter. Students must pass BIOL 207, BIOL 208, and DANC 260 with a minimum GPA of 2.25 to satisfy the major specific declaration requirements for the BA Option in Dance Science. The Department recommends that students not continue in the BA in Dance, Option in Dance Science unless passing DANC 260 with a grade of B or better.

BFA Degree

http://catalog.csulb.edu/preview_program.php?catoid=6&poid=2811

To apply to audition to the BFA, students must have reached sophomore standing, have completed the GE Foundation requirements, and have successfully completed the following course work with a minimum GPA of 3.0: DANC 100 or DANC 300; DANC 120; DANC 161; DANC 182; one unit from DANC 181 or DANC 381; 10 units of dance technique from at least three idioms of dance. Students enrolled in required courses at the time of the audition, may audition with a signed Grade In Progress form from the instructor(s) of the in-progress courses. Students may not apply after they have earned 90 Timely Graduation Units.

B.F.A. in Dance students are required to attend monthly meetings with the B.F.A. coordinators and maintain a 3.0 G.P.A. in all studio/performance courses.

For more information, please contact B.F.A. Coordinators, Keith Johnson or Rebecca Lemme.

Dance Minor

The Minor in Dance helps students to pursue dance training while majoring in another field of study. Students may be admitted to the minor after completing 6 units in dance, and do not need to

audition to declare the minor. Minors wishing to take major level technique courses and/or perform in departmental productions are required to pass the Minor Technique Screening.

TRANSFER STUDENTS STUDENTS MAY TRANSFER INTO THE DANCE MAJOR BY AUDITION

1. Prior to attending the mandatory SOAR workshop, Dance Undergraduate Advisor, Kirsten Sumpter, will review transfer credit reports and transcripts for each new transfer student in order to determine which coursework has transferred to CSULB and which dance courses may be applied to the Dance degree. At SOAR, students will receive their transfer credit report and a list of dance courses to register for the upcoming semester. Students are guided through the registration process by the Undergraduate Advisor.
2. The office of Enrollment Services evaluates General Education transferability. The Undergraduate Dance Advisor, in consultation with the Chair, determines transferability of Dance courses. The student may need to provide transcripts and a catalog description to the Dance Undergraduate Advisor in order to determine the transferability of a course taken at another institution.

Lower Division courses (100 and 200 level) are accepted for Dance Major equivalencies when:

- The course is articulated with a CSULB Dance course
- The course was offered for the same number of units
- The content of the class was the same or equivalent
- The course was offered for Dance majors and minors (not a survey class open to non-majors)
- The number of hours the class met is the same as, or close to, CSULB's equivalent course

Upper Division courses (300 and 400 level) are accepted from other four-year institutions if the above are fulfilled. Courses at the 100 and 200 are not equivalent to 300 and 400 courses.

All CSULB Dance students must complete a minimum of 30 units in coursework at CSULB along with 24 upper-division CSULB units in order to meet the residency requirement.

SCHOLARSHIP OPPORTUNITIES

Students seeking information regarding scholarships should begin by visiting the Center for Scholarship Information (CSI). The CSI serves as the campus informational clearinghouse and resource regarding scholarships, from local to national awards.

The Department and other community and University organizations/individuals award a small number of dance scholarships to assist students financially. The Dance scholarship process begins in the fall semester when applications become available on the CSI website and the spring Dance scholarship audition is announced. All current dance majors with a cumulative GPA of 3.0 or higher may apply for the Dance scholarships. More information on specifics regarding Dance scholarships

and the auditions can be found on the university website. Contact the current faculty scholarship Chair, Rebecca Lemme, at Rebecca.lemme@csulb.edu.

Note: all students applying for scholarships must complete a FAFSA, even if they are international students. If funds allow, a process for Summer Study Awards will be announced in the spring semester. Summer Study Awards, like all scholarships, result in funds being transferred directly to students' CSULB accounts without the opportunity for direct payment of workshops, clinics, or intensives.

WORK OPPORTUNITIES

(work opportunities are impacted by COVID-19)

There are a number of work opportunities for students in the Department. Open positions will be announced to students via BeachBoard and on the Student Job Boards in the Student Lounge. Students may also check with Sylvia Rodriguez-Scholz in the Department Office.

EARNING DANC 499 CREDIT FOR A DIRECTED STUDY

A student may work with a CSULB instructor to design an independent project, execute research of an advanced nature in an area of dance, or serve as an Assistant in the Pilates Lab, or Movement Mentoring sessions. Directed studies may be designed for 1-3 units, depending upon the nature of the project and time commitment involved. All Directed Studies must be approved and instructor/mentors must fill out the Agreement for DANC 499/599 form and submit to the Chair for approval. Permission to enroll will be granted by Sylvia Rodriguez-Scholz after approval by the Chair once you fill out the Directed Study Form.

USE OF PILATES EQUIPMENT IN PILATES LAB

(Pilates Lab closed Fall 2021 due to COVID-19)

Only students who have successfully completed DANC 361 and 362 may use the Pilates equipment in the CSULB Pilates Lab. The equipment can be accessed during posted hours Monday-Friday throughout the Fall and Spring semester. Each student must sign in at the start of each session with the designated person whose responsibility it is to monitor this space. A Dance Science professor will provide a list of students who are authorized to use the Department's Pilates equipment to the Dance office and only those students will be allowed to sign in and use the equipment during the designated open times. For personal safety, this facility may not be used without an approved partner or supervisor.

TRANSFER OF SUMMER DANCE CLASSES

Students who plan to transfer dance courses from any summer session must get the approval of Undergraduate Advisor Kirsten Sumpter or the Department Chair before the summer class is taken. Classes taken elsewhere frequently do not equate to CSULB dance major classes in units, hours and/or content. It is the student's responsibility to request equivalency evaluation before taking the class. The Department is not responsible for transfer of course work taken without consultation and approval.

LOCKERS

Lockers in the Dance Center locker/dressing rooms are available to all students enrolling in dance courses. Students may arrange for locker assignments in the Department Office. Rental fees are \$5/semester or \$10/academic year.

BULLETIN BOARDS

(Please do not congregate around bulletin boards)

Bulletin boards throughout the Dance Center display important information for students. Check the following bulletin boards for specific information concerning:

PERFORMANCE OPPORTUNITIES AND AUDITIONS

Due to COVID-19, our on-campus production season is slightly reduced. We will have three fully produced concerts this year, provided that the pandemic does not worsen, and in accordance with all state, county and city public health guidelines.

General Information: The Department of Dance presents numerous occasions for dance majors of all levels to perform in both formal and informal dance settings. Three to five annual main stage concerts offer opportunities to perform and/or choreograph in multiple genres of dance. In addition to dance concerts and showcases, students are encouraged to volunteer to work with undergraduate and graduate students on composition assignments and special projects. These interactions allow students to perform, network, and gain skills that aid in being cast in future events. The Department participates annually in the activities of the American College Dance Association, which leads to performances at regional conferences and national festivals. As part of the greater Los Angeles metropolitan area, the city's numerous resident companies and choreographers often offer regional performance opportunities to CSULB students, as well.

CONTEMPORARY DANCE CONCERT AUDITIONS

The Contemporary Dance Concert Audition guidelines are currently under review by the faculty and staff. Revised guidelines and performance contracts will be published later this fall.

GUEST ARTIST RESIDENCIES

Guest Artist Residencies enliven and amplify the experience of CSULB dance majors. Through one or two-week residencies, professional choreographers and dancers from around the world set new

DEPARTMENT GUIDELINES

Due to the ongoing COVID-19 pandemic, many department guidelines and procedures will be suspended or amended for the Fall 2021 semester.

Placement Screening and Studio Technique Classes:

Placement for returning students and new transfer students will take place Thursday, August 19th. During the first week of the Fall and Spring semesters, new students are placed in designated levels of technique through placement screening classes. Faculty are involved in screenings as teachers and observers. This is not an audition; it is a process to assure that all students are in a level of technique that will support their learning. Students should plan to enroll in dance technique courses in sequence. In general, students should expect to remain in each technique level for two semesters.

After passing a technique level for two semesters, a student will automatically move up to the next level. Students who have questions about the screening process and/or technique placement decisions, should reach out to their technique instructor or the department chair. Students earning a grade of F in a technique class must re-take technique at the level at which the F was earned before moving up a level.

With the permission of the instructor and the Department Chair, students may enroll in, or audit, additional technique classes, provided the course is below the level at which they screened. Students interested in enrolling in classes taken below the screened dance level to fulfill graduation requirements need to request/ approval from the Chair and the Undergraduate Advisor.

1. Incompletes are not assigned in technique courses, or as an alternative to a poor grade.
2. All major technique classes must be taken for a letter grade (A-F) and are repeatable for credit, though some may be repeated more than others (refer to the CSULB catalog for information on repeatability). Audits are rarely permitted, and are only typically allowed for upper division students who have completed graduation technique requirements. (If permission is granted, it is expected that students will adhere to the participation requirements in the course syllabus.
3. Students needing to drop Department of Dance courses after the 9th week of classes must first consult with the Department Chair.
4. Student safety is important to us; therefore, all students should have a personal first aid kit in their dance bag or locker at the beginning of each semester. First aid kits should include basic items such as adhesive bandages, antiseptic wipes, and athletic tape. Those with severe allergies should be sure to have an epi-pen in their possession at all times.
- 5.

CLASS PARTICIPATION IN DEPARTMENT OF DANCE COURSES

It is the CSULB Department of Dance perspective that attendance and engaged participation are essential to progressing towards your educational and career goals. However, we understand that illness, injury, and/or lasting disability can occur during the course of the semester. We strongly encourage students to prioritize their mental and physical health, and to be proactive in consulting with head Athletic Trainer, John Siegel and their faculty to alert them of any concerns.

The Department is suspending use of its Departmental Attendance Policy, but will continue to follow the CSULB Attendance Policy.

According to University Policy, excused absences include, but are limited to:

- Illness, injury to the student, or medical conditions, including those related to pregnancy
- Death, injury, or serious illness of an immediate family member. An immediate family member is defined as a close relative, or a person residing in the immediate household of the student.
- Religious reasons (California Education Code section 89320)
- Jury duty, military service, or other government obligation
- University-sanctioned or -approved activities (examples include but are not limited to artistic performances, participation in scholarly conferences and presentations, intercollegiate athletic activities, student government, required class field trips, etc.)

Faculty members are not obligated to consider other absences as excused. Students should consult with the faculty member about whether verification is necessary for excused absences. Faculty members may only require students to provide verification for repeated or successive absences (three or more instructional hours), or absences on the days of tests, presentations, and other graded activities. If verification is required, students should provide it to the faculty member within one week of the date of the last prior absence.

*As a courtesy, please notify your faculty at least one week in advance of any planned excused absence(s).

Evaluation and Grading in Studio Dance Courses

Studio-based courses such as technique, improvisation, composition, BFA workshop, directed choreography, etc., are assessed in both objective and subjective manners. Depending upon the course content, an instructor will assign a grade typically having evaluated: technical and performance-based skills and development, completing all course assignments including written work, reading and viewing materials, participation and effort, and progress made during the term. Students are encouraged to work closely with their instructors to clearly understand each instructor's course requirements and grading guidelines, pertinent departmental agreements, and their own responsibilities to the community of learners in the class.

Absences in Dance Courses

Students are encouraged to attend every class session and successfully complete course requirements. In the case of an absence, students are strongly encouraged to keep in communication with their instructor(s) and discuss plans for learning missed material and/or for making up missed assignments.

As a standardized departmental agreement, attendance and behavior such as "attitude" will not be used as a means of grading dance courses; instructors will grade student "performance" that can be measured through established criteria. Participation may be used as a means of grading, as long as the criteria for participation are clearly articulated. Therefore, unexcused absences and repeated tardiness will only affect final grade calculations in the category of participation when the student has not kept in communication with their instructor(s) to develop alternative means for making up missed work.

Tardiness

Students are encouraged to arrive early/on-time for each class period. Students will be given a grace period and should proactively communicate with their faculty regarding what constitutes tardiness in the course. In the case of frequent tardiness, the student and instructor are encouraged to create open communication to prevent further disruption(s) from the students learning, and/or create reasonable accommodations together (if applicable).

Studio Attire

The Department of Dance recognizes that, in many instances, dance studio attire has historically reinforced Eurocentric and heteronormative practices that discriminate against or erase dancers' skin color and/or cultural backgrounds, and enforce gender binaries. While some dance genres require uniformity of appearance in class, each student's identity, personal expression, and cultural background will be given full consideration within attire guidelines.

Instructors will communicate class attire in the course syllabus. Guidelines for class attire will take into consideration the following: dress codes will not be based on gender binaries, or contain unnecessary binary distinctions. If an instructor requires a special garment for class (e.g. unitards, leotards, practice skirt, etc.) they will communicate this in the syllabus and provide accessible alternatives to ensure equity.

Students are expected to follow these guidelines. If a student has questions or concerns about class attire, they should consult with the instructor. While still following the guidelines above, class attire may change as the semester progresses, depending on movement material and at the discretion of the instructor.

Illness & Injury

Students suffering from an illness (mental and physical) or injury that results in missing more than one week of class should seek medical care, if feasible, and should contact their faculty to discuss a participation plan. This may involve arranging a substitute project, make up exam, or in some cases the need to drop the class, if the illness or injury is ongoing and severe. Students will not be asked to provide a doctor's note when they miss class due to illness or injury. Yet, an instructor may ask for confirmation of other types of excused absences (see the CSULB Attendance Policy for a full explanation).

If you need to miss class, please communicate promptly with the faculty. You can do this in two ways: 1) email your instructor(s) directly, or 2) complete the "Reasons for Class Absence" form (found under Student Resources/Frequently Used Forms) and email the form to your instructor(s). Injured students are encouraged to work with the Head Athletic Trainer, John Siegel, in supervised strengthening and rehabilitation exercises via Zoom. Faculty and student should consult with the Athletic Trainer as to the feasibility of using class time for this rehabilitation program. If you are ill or injured but still able to attend the class session, please consult with your faculty about strategies to modify and adapt your practice so that you are able to participate in some manner.

Strategies for modification and adaptation include but are not limited to the following, which may be done in combination, as appropriate:

1. Adapting movement to a prone or seated position (e.g., floor barre or chair work, or a combination?)
2. Translation of movement (e.g., creative alternatives in body movement)
3. Reduction of range of motion
4. Elimination of injured areas and augmentation no other aspects of movement
5. Movement visualization
6. Active peer-critique
7. Class observation writing responsive
8. Acting as an assistant in class

Instructors will maintain interaction with students who are adapting movement and students should also maintain active participation in class to their fullest ability.

Use of Touch in Dance Pedagogy

Touch is a common method for helping students to learn a dance form and can be an effective tool for imparting kinesthetic information such as alignment, initiation, and spatial/bodily orientation. Please notify the instructor if you are uncomfortable with this method of instruction so that alternative cueing methods can be substituted. Instructors or students should receive affirmative

consent before initiating physical contact. A clear explanation of which area(s) of the body will be touched should occur prior to each application of touch.

Recommendations for Class Conduct

- If possible, arrive early to class in order to prepare mentally and/or physically for class.
- Use the time before class to breathe, relax, and find internal focus.
- Use of cellphones, computers, and other electronic devices are permitted at the discretion of the instructor and depending on the nature of the course.
- Please work to create a space of open dialogue and community.
- Receive, share, and apply feedback in a productive manner.
- Treat each other with care and avoid making assumptions based on stereotypes and cultural biases.
- Be mindful of unnecessary conversation and how it impacts your attention, and the ability of others to focus and learn.
- Stay focused on material presented in class/rehearsal and avoid working on material from other courses/rehearsals during that time.
- Work safely and effectively in class and allow others to do so.
- If you are coping with an issue that may impact your participation, please talk to your instructor before class begins so, together, you can strategize on your participation for the day.
- In the event of an injury or sudden illness, alert the instructor immediately.

Keeping our Studios Clean and Safe

(Please observe all COVID-19 Guidelines for studio floor cleaning and cleaning of high-touch surfaces)

Shoes worn outside of the studio, even in hallways and the courtyard, are considered “street shoes” and should NEVER be worn in the studios. This is a safety issue: shoes worn outside often carry glass or small rocks and debris. When carried into the studio, injury or illness could result from this debris and it may damage the floor.

Please do not bring food or drink in the studios with the exception of water in non-breakable containers. CSULB Dance recommends that students use reusable water bottles for technique class and take advantage of the hydration station on the first floor. Students should inform faculty of any nutritional needs that require accommodations (e.g., the need to step outside the class to have a quick snack for health reasons).

Students should never allow non-dance majors to work in studios unless supervised by their instructor, and should never give studio entry codes to non-dance majors.

Students must bring a towel to every technique class to wipe up excessive sweat from the floor. To help keep studio floors clean and safe for everyone, students should avoid applying lotions to bare skin within 30 minutes of participating in technique classes. Lotions can create dangerous “slick spots” in the Marley dance floors.

Every studio contains a Biohazard Kit for use in cleaning up any sort of biohazard exposure during a technique class or a rehearsal. All blood spills and bodily fluids such as vomit are considered biohazards and must be dealt with properly. Biohazard Kits are mounted on the walls near the telephone in each studio. Clear instructions for disposing of a biohazard spill or exposure are inside each kit, however studio instructors and Head Athletic Trainer John Siegel will also train any individual in the proper way to handle such a situation. All red biohazard disposal bags should be

brought to the main office or the Dance Clinic for proper and final disposal. If any Biohazard Kit is missing supplies, please contact the Dance Clinic at X57076, or contact the main office.

Enrolling in DANC 119/319

Students who have a time schedule course conflict that prevents them from attending the third session of a three-day technique class may still attend the technique course two days a week by enrolling in DANC 119/319. Registration includes:

Permission from the Technique Instructor

Permission from the Department Chair

A signed statement from the student stating that he/she understands the requirements for attending the course and receiving a grade.

After the Chair approves the petition for DANC 119/319 registration, Sylvia Rodriguez-Scholz will permit the student into DANC 119/319.

Plagiarism/Academic Integrity

Cheating, plagiarism, or any other act of violation of Academic Integrity policy is unacceptable.

Work that you submit is assumed to be original unless your source material is documented appropriately, using proper citation. Using the ideas or words of another person, even a peer, or a web site, as if it were your own, is plagiarism. At a minimum, any student caught violating the university Academic Integrity Policy will receive no credit for the work concerned. To learn more about the University policy on Cheating and Plagiarism, visit: Academic Information and Regulations-Cheating and Plagiarism.

Grade Appeals

The Department of Dance follows the grade appeal process as described in the University's Undergraduate Catalog. Students are urged to familiarize themselves with this process prior to filing an appeal. The Department Chair is also available to answer any questions regarding the grade appeal process.

Performance and Production Guidelines

With a production calendar that typically contains five fully-produced concerts each academic year, CSULB Dance is one of the most production-driven dance departments in California. Managing production is a cooperative effort involving faculty and staff—Production Coordinator Andy Vaca Technical Director Stephanie Losleben, Video Specialist Gregory R.R. Crosby, Costume Shop Manager Kelsey Vidic, Costume Technician Erika Hansen, Music Director Dr. Don Nichols, Department Chair Betsy Cooper, and the Concert Director of each production, with input from other staff, faculty, and student production assistants.

CSULB Dance is proud of the fact that all dance majors in good academic standing may audition for any dance concert. To ensure that you have access to auditioning for a department concert, please be certain to take the following steps:

Step 1—Enroll in a dance major technique course

You must be enrolled, for a letter grade, in a dance major technique course the semester in which you audition for, and perform in, a department concert. Sometimes a faculty, student or guest choreographer may recommend that a student be enrolled in a technique class that pertains to the genre in which their dance is choreographed.

Step 2—Sign up for a Crew Assignment

During the first week of the fall semester, all new students must sign up for a crew assignment through Technical Director, Stephanie Losleben. The actual crew assignment may take place in the fall or spring semester.

After signing up for an approved Crew Assignment students are eligible to audition for, and perform in department concerts. Student are not eligible to audition for, or perform in a production for which they have a Crew Assignment.

Transfer students articulating an approved production course must still sign up for a Crew Assignment in the first semester (once complete, this will fulfill your Crew Assignment).

Step 3—Put all crew assignment dates and times in your calendar

A successful production requires teamwork and a commitment by all members of the cast, crew , choreographers and production staff. Students will receive all production related information, including a detailed production schedule, as soon as crew position are assigned. It is the student's responsibility to input all important dates into your calendar and it is extremely important that students do not schedule other activities during assigned crew production hours.

Step 4—Enroll in a Production Unit in the semester the Crew Assignment takes place

Students should register for a production unit in the same semester they complete the Crew Assignment. Freshmen: Please enroll in 181 for your first crew assignment
Transfer students: Please enroll in 381, or 481 for your first crew assignment.

Step 5—Audition for Concerts, and be eligible to perform in Contemporary Dance Concert pieces

Once students have completed their first crew assignment responsibility, they are free to either audition for concerts or accept a role in a Contemporary Dance Concert piece choreographed by another dance major. It is the student's responsibility to review all dates associated with the performance before auditioning or accepting a role.

Students are expected to register for a performance unit in the same semester they complete the performance. Freshmen: Please enroll in 180 for your first performance unit.

Transfer students: Please enroll in 380, or 480 for your first performance Unit.

Student Performance and Crew Responsibilities

Please consult with the Production Coordinator, Andy Vaca, and Technical Director, Stephanie Losleben.

WHAT TO EXPECT FROM THE COSTUME SHOP, AND WHAT WE EXPECT FROM YOU:

The Dance Costume Shop at CSULB is committed to creating a space that is inclusive to all students, including BIPOC, LGBTIAQ+ and students with a disability.

COSTUME PROCESS:

You will be provided at least one costume for the concert. The shop manager will reach out, via your CSULB student email, for a time slot to take your measurements. This will take no more than 15 minutes. Following the measurements, the shop manager will reach out again for one or two costume fittings. Fittings typically last between 20-30 minutes. The performer is responsible for the costume and treating it with respect throughout dress rehearsals and run of the show.

EXPECTATIONS IN A FITTING: (COVID-19 Safety Guidelines in place for costume fittings)

1. Respond to your CSULB student email in a timely manner (within 48 hours of receiving the email). The shop manager will reach out at least 24 hours in advance of the requested (unless in a special situation).
2. Be on time to your costume fitting or measurements. The costume shop works on a tight schedule. Showing up 15 minutes late can mean you are there when the next fitting is scheduled, and the shop won't be able to accommodate you. If you are going to be late or need to reschedule, it is very important to contact the shop manager. We can work with you if something unexpected comes up or you are dealing with a difficult situation, but communication is absolutely needed in a timely manner.
3. Let us know if a costume is uncomfortable or isn't working for your movement. Make sure to try your most extreme movements from the choreography in the costume fitting.

DRESS REHEARSALS AND SHOW:

1. Each performer is responsible for his/her own make-up, makeup removers and hair supplies/products for the run of the production. The costume shop has limited products on stock for emergency situations.
2. Wear antiperspirant /deodorant and appropriate underwear as discussed in the fittings.
 - a. If you don't have the proper undergarments or have any questions on this, please talk to the Costume Designer or Shop Manager and we can assist you.
3. ABSOLUTLY NO EATING, DRINKING, OR SMOKING IN COSTUME. Water is always ok.
4. Under no circumstance should you greet your family and friends in your costume after a show.
5. When and if your costume malfunctions, you are responsible to write down what happened. Repair notes need to be written on the Costume Notes paper posted on the back of the dressing room door.
6. Laundry should be placed in the laundry baskets in the dressing rooms. We will only wash the items you place in the basket. In special cases, some costume items cannot be laundered, but we will notify you in the fittings if your costume falls in this category.
7. Hang your costumes neatly on the rack at the end of the evening just as you found it, ONE piece per hanger, please! Clean up your space after each dress rehearsal and performance.

The Costume Shop is here to serve the stories and ideas being presented on stage. We care deeply about how you feel and what you need in a specific costume, so do not hesitate to ask. We are here to support you.

COSTUME SHOP COMMITMENT

Actions we are committed to taking as a Costume Shop.

ACTIONS:

*if any of these actions are not met, or you notice we have missed something to accommodate you, please contact the Costume Shop Manager (kelsey.vidic@csulb.edu)

- We believe that all bodies of every variety are beautiful. We take time and care to design and make or alter costumes that fit your individual body type.
- We recognize that skin tones are many different shades and choose to use the word skin tone in lieu of nude.

- We are committed to finding the best skin tone shade, with the performer's approval, for any costume that is attempting to be the color of your skin tone.
- We are committed to labeling and categorizing the costume stock and materials in a way that is inclusive and denies stereotypes, racism, gender assumption, or culturally inappropriate terms.
- We acknowledge that every person with a disability requires different accommodations. We are committed to adapting our costume shop to any student that would like to work in the shop or is using the space for fittings or classes.
- With every new dancer that is being fitted in the shop, we ask you fill out a "Memo of Understanding" to familiarize us with your preferred name, pronouns and body comfortability.
- We acknowledge that there are different products and increased time and costs needed to achieve hairstyles for BIPOC students. The Shop Manager and Designer stands with these dancers and will assist in finding a style that work best with that specific dancer (time and money in consideration) to achieve the aesthetic of the dance piece.
- The Shop Manager will be attentive during fittings and dress rehearsals to recognize and point out to the Designer (Lighting or Costume) if a certain color choice is working against or not in favor with the color of the dancer's skin.

STUDIO USAGE

Studio Usage for Rehearsals

The most immediate Department production takes priority for use of rehearsal space, design/construction time, and technical needs. Students participating in multiple productions must prioritize their commitments accordingly, as should choreographers and technical staff. Choreographers must release student dancers from their scheduled rehearsals if the student has a responsibility to the Department's upcoming production.

Reservation of Studio Space

Dance majors are encouraged to use studio space in the CSULB Dance Center to fulfill choreography assignments for composition class, to create individual artistic projects for eventual production within the Department, and to foster personal and artistic development. This year, we will be using an on-line Studio Reservation System.

It is understood that each person requesting use of a studio space will use it appropriately by taking care of the space, the floor, and any equipment, and following all COVID-19 Safety Guidelines. There are to be no street shoes, no food or drink (other than water) in the studios. Please pick up water bottles and trash, close windows, turn off lights and close doors after use. It is also expected that when students sign up for studio space, they will use it. If there is a change in schedule, students are expected to be considerate by removing their names from the Space Reservation Book so that the space is made available to others. Failure to do so on a regular basis will result in a written warning and loss of privileges for one week.

Studio Reservation Guidelines

- Studios may only be reserved and used by dance majors, and by minors who have passed the MTS and are currently enrolled in CSULB Dance classes. Non-majors and outside groups are not permitted to use the dance studios.
- CSULB Dance alumni may rent studio space. Contact Sylvia Rodriguez-Scholz at Sylvia.rodriguez@csulb.edu for information.

The studios are State of California facilities: here are legal mandates enforced by the University and the State that must be followed. If a student wishes to reserve space as an outside group, responsibility for rental and liability must be arranged through Sylvia Rodriguez-Scholz in the Department of Dance Office. CSULB student groups/organizations not affiliated with the Department may only utilize space in the building with a Dance faculty or staff advisor present.
