Disability Verification Form

IMPORTANT: Students are responsible for providing documentation verifying their disability to the Bob Murphy Access Center (BMAC) office.* A BMAC Disability Specialist will review documentation to determine eligibility for support services and/ or reasonable accommodations. Completion of this form does not guarantee eligibility for services.

The student named below may be eligible for academic accommodations provided through the Bob Murphy Access Center (BMAC) at California State University Long Beach (CSULB). In order to provide services, BMAC must have verification of disability on file with the Support Services office. Please be assured that the information provided by you will remain *confidential* and will not be released to third parties unless instructed to do so by the student

Please Note: Student medical records supplied to this office constitute "educational records" under the Family Education and Privacy Act (FERPA) and as such, may be reviewed by the student upon written request.

A person with a disability is defined by the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 as "*anyone with a physical or mental impairment that substantially impairs or restricts one or more major life activities, such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.*"
