The MBA Advisory Board Scholarship

Dear MBA Scholarship Committee,

I am writing to express my sincere gratitude for the generous MBA Scholarship. It is a profound honor to be selected as a recipient and I extend my heartfelt appreciation for your unwavering commitment to supporting students in their pursuit of higher education.

I am currently in my second year of the Business Administration program at CSU Long Beach. In addition to my academic pursuits, I am employed as an Operations Analyst at Wallenius Wilhelmsen, where I actively contribute to the dynamic field of Supply Chain and Operations. My academic journey has been marked by a steadfast commitment to growth and excellence, and I am actively involved in the OSCM Advisory Board, where I engage with and contribute to the field that I am deeply passionate about.

Receiving the MBA Scholarship represents a significant milestone in my academic and professional journey, and I wish to convey my deepest thanks for your investment in my education. This scholarship not only alleviates the financial burdens associated with pursuing higher education but also serves as a powerful endorsement of my abilities and aspirations. Your belief in my potential serves as a source of inspiration, motivating me to strive for excellence and reinforcing my conviction that dedication and hard work yield meaningful results.

I am genuinely excited about the opportunities that this scholarship will unlock for me, both academically and professionally. I am committed to utilizing this support judiciously and, in doing so, contributing positively to society in the future.

I am enthusiastic about the prospect of keeping you informed about my academic achievements and milestones.

Once again, thank you for your generosity and for making a lasting impact on the lives of students, including myself. Your commitment to education is truly inspiring, and I am deeply grateful for the positive influence you are fostering within the community.

Sincerely,
Kimberlyn Viertel
