Academic Outcomes

<p>School Counseling Faculty Advisor</p> <ul style="list-style-type: none"> ▪ Course planning, advancement process, and general advising for 23 of the programs 45 school counseling students 	2018-2019
<p>Faculty Mentor for Student Leadership Development</p> <ul style="list-style-type: none"> ▪ Recruited and mentored 20 school counseling students for volunteer leadership opportunities at the Orange County Counselor Symposium ▪ Recruited and mentored 12 school counseling students for volunteer leadership opportunities at the California Technical Assistance Center (CaTAC) for Positive Behavioral Interventions and Supports (PBIS) High School PBIS Symposium (500 attendees) ▪ Volunteer leadership opportunities included conference session facilitation and survey collection, monitoring session transitions, coordinating attendee sign ins and registration, and providing conference attendees with information and materials 	2018-2019
<p>Thesis Committee Member</p> <ul style="list-style-type: none"> ▪ Completed Thesis Committee responsibilities for Sandra Alvarado, School Counseling, titled Resilience, Mental Health, and Burnout Among School Teachers in Mexico 	2018-2019
<p>School Counseling Faculty Advisor</p> <ul style="list-style-type: none"> ▪ Course planning, advancement process, and general advising for 30 of the programs 60 school counseling students 	2017-2018
<p>Thesis Chair</p> <ul style="list-style-type: none"> ▪ Completed Thesis Chair responsibilities for 1 school counseling student titled <i>An Exploration of School Counselors' Experience with Restorative Practices</i> 	2017-2018
<p>Research Advisor, CSULB Student Scholar Program</p> <ul style="list-style-type: none"> ▪ Mentor Jay-Riley Small, 1st year student from CSULB MFT program on research process ▪ Student Scholar supports my research projects focused on the topics of school counseling and Multi-tiered Systems of Support (MTSS). Includes literature review and academic writing for a peer reviewed journal article; and survey data input and analysis 	2017-2018
<p>Faculty Mentor for Student Leadership Development</p> <ul style="list-style-type: none"> ▪ Recruited and mentored 12 school counseling students for volunteer leadership opportunities at the California Technical Assistance Center (CaTAC) for Positive Behavioral Interventions and Supports (PBIS) High School PBIS Symposium (400 attendees) ▪ Volunteer leadership opportunities included conference session facilitation and survey collection, monitoring session transitions, coordinating attendee sign ins and registration, and providing conference attendees with information and materials 	2017-2018

- Graduate Research Assistant Spring 2017
- Brian Ponce, 2nd year student in school counseling program conducted library database searches and organized 145 articles and reports in literature review matrix for a literature review on the role of school counselors in Linked Learning
- Faculty Mentor for Student Leadership Development 2016-2017
- Recruited and mentored 16 school counseling students for volunteer leadership opportunities at the California Technical Assistance Center (CaTAC) for Positive Behavioral Interventions and Supports (PBIS) Early Childhood PBIS conference (130 attendees) and High School PBIS Symposium (400 attendees)
 - Volunteer leadership opportunities included conference session facilitation and survey collection, monitoring session transitions, coordinating attendee sign ins and registration, and providing conference attendees with information and materials

CURRICULUM DEVELOPMENT

- Course Change Curriculum Proposal, School Counseling Program 2021-2022
- Developed course change curriculum proposal and standard course outline for COUN 507 Foundations of Career Development in K-12 Schools
 - COUN 507 will have an emphasis on career development theory and practice, the world of work, post-school planning, and academic counseling in K-12 settings. Application of theory through culturally sensitive interventions
 - COUN 507 course change curriculum proposals passed by ASEC and will be reviewed by CED Curriculum Committee Fall 2021
- School Counseling Program Elevation from Option to Full Degree Program 2021-2022
- Developed and proposed Program Elevation Packet
- Course Change Curriculum Proposal, School Counseling Program 2020-2021
- Developed course change curriculum proposal and standard course outline for COUN 506 Introduction to School Counseling
 - COUN 506 will provide overview of school counselor role in K-12 settings and core components of a school counseling program aligned with the American School Counselor Association (ASCA) National Model. Includes introduction to evidence-based practices in school counseling and school counseling program implementation
 - COUN 506 course change curriculum proposals passed by ASEC Curriculum Committee Spring 2020 and CED Curriculum Committee Fall 2020
- New Course Curriculum Proposal, School Counseling Program 2020-2021
- Developed course change curriculum proposal and standard course outline for COUN 604 Multi-Tiered Systems of Support (MTSS) for school counselors
 - COUN 604 course will provide overview of multi-tiered systems of support (MTSS) for school counselors. Alignment of Comprehensive

School Counseling Programs (CSCPs) such as the American School Counselor Association (ASCA) National Model and MTSS will be examined. Topics include universal systems of support, providing supports for students with elevated and intensive needs, universal screening, using data, and evidence-based and culturally sustaining practices.

- COUN 604 course change curriculum proposals passed by ASEC Curriculum Committee Spring and CED Curriculum Committee Spring 2021
