Values

1

Access

We provide programs and services that are open to all who are seeking personal and professional growth

2

Innovation

We remain on the leading edge of higher education programs, customer service, and technology

3

Quality

We deliver the highest quality in all that we do

4

Integrity

We act ethically and honestly toward our students, colleagues, and global community

5

Equity

We make decisions and take actions that are fair-minded, impartial, and free from bias

6

Community

We recognize our role in an interconnected global community, and we integrate that perspective into everything that we do

7

Empathy

We respect others and strive to understand and be sensitive to their experiences
