

Accessing the Advancing Inclusive Mentoring (AIM) Canvas course

Thank you for your interest in [AIM](#)- and for the mentoring that you provide to your students—it matters!

The Advancing Inclusive Mentoring program runs on the Canvas learning management system. Even if you are using Canvas at your own institution, you must create or have a CSU Chancellor's Office Canvas account to access the AIM course. The AIM course is located at the CSU Chancellor's Office Canvas system, not in your campus Canvas account.

Let's get started:

1. Please navigate to: <https://csuco.instructure.com/enroll/MEYPXX>.
