

MASKING POLICY STATEMENT FOR SYLLABI FALL 2022

Let your students know about the CSULB Requirements for Masking on Campus During Ongoing COVID-19 Infections. Include the following in your syllabus:

In light of the ongoing wave of COVID-19 infections from the current dominant variant, until further notice, our campus will continue to require facial coverings in many indoor spaces. These environments include classrooms and labs, the Student Health Center, childcare centers, public transit, shared offices and conference rooms, and close-contact interactions such as desktop support, advising, counseling, and library consultations.
