WorkAbility IV Program

(WAIV) California State University
Long Beach

In partnership with

Our Mission

A career preparation program for current CSULB students and recent alumni who have disabilities and are registered with the California Department of Rehabilitation (DOR).

WorkAbility IV (WAIV) collaborates with the **Career Development Center (CDC)** and the **Bob Murphy Access Center (BMAC)** to assist CSULB students and alumni with disabilities in securing internships, developing employment skills, and retaining gainful employment.

What you can expect:

We support with obtaining jobs and internships aligned with your academic major.

- One-on-one disability and career counseling
- Guidance with accommodations in the workplace
- Customized career counseling, workshops, and networking events
- Support with accommodations and disability management in the workplace

WAIV Services Include

- Resume writing and Cover Letter critiques
- Job and Internship Skills Development
- Application, Interview, and Job Fair Preparation
- Information about Disclosure, Disability Rights, and

How to Qualify

- Must be a CSULB current student or recent alumni
- Have a verifiable disability/medical diagnosis
- Be actively ready to seek employment and internships
- Overall GPA of 2.0 or higher
- Be a current participant of California Department of Rehabilitation (DOR) Accommodations

** If you are not a DOR participant but interested in WAIV, please contact BMAC to discuss eligibility.*
