OBJECTIVE

Seeking Junior Designer position for IA Interior Architects in Orange County office where creativity, innovation, and communication skills can be utilized

EDUCATION

Bachelor of Fine Arts in Interior Design

May 2024

California State University, Long Beach (CSULB)

Study Abroad: Reims, France

Ecole Supérieure d'Ar et de Design (ESAD in Reims)

January 2022-May 2022

Product-Space Design Course

RELATED COURSEWORK

Interior Architectural Drafting | Interior Architectural Model Building | Lighting Design for Interior Architecture

INTERNSHIPS

Interior Design Intern | Clear on Black, Los Angeles, CA

January 2021-May 2021

- Assisted in the creation of presentation boards for various designers in order to enhance branding or design elements for client presentations
- Received praise in rendering designer's final sketches and incorporating feedback to match designer's vision
- Learned how to meet budget without compromising design by cross referencing prices of materials from various vendors
- Presented with designer to Marriot Hotel executives for their new Hawaii Resort location, practicing design presentation skills

Interior Design Intern | Michael C.F. & Associates, Los Angeles, CA

August 2020-December 2020

- Visited local sites to support designer in collecting client's needs and plans
- Sketched original designs by hand to assist team in brainstorming for the luxury boutique's new layout
- Integrated feedback on design work in order to maintain the integrity of original design
- Exemplified professional etiquette with all designers and clients in order to adhere to company's reputation of excellent customer service

PROJECTS

Nature Walking | CSULB: Lighting Design for Interior Architecture

May 2021

- Researched lighting techniques to enhance space design for a 12 story CSULB building
- Rendered sketches and used CAD drafting to provide clean final version of design
- Incorporated faculty and student critiques to adjust design to best fit nature lighting theme into building interior

Da Vinci & Others Museum | CSULB: Interior Architectural Model Building

May 2020

- Visited Getty Museum to research Da Vinci and other renaissance painters' aesthetic to incorporate in interior design for new museum wing
- Revisited modeling techniques and problem-solved color choice and space issue
- Presented final design to explain design choices for museum project
