

LIST OF SUMMER 2024 RESEARCH OPPORTUNITIES

Interested in participating in a summer research opportunity? Want to expand your skillset in research? Check out CSULB Summer Student Research Assistantship opportunity below!

CSULB Summer Student Research Assistantships (SRA)

This assistantship provides financial support during the 2024 summer intersession months to undertake full-time research and scholarly activities in collaboration with a CSULB faculty (or principal investigator) research mentor. This opportunity requires a Research Mentor to submit an application on the student’s behalf. It is encouraged to identify a faculty you would like to work with and discuss filling out the application and needed materials as soon as possible. Find more information on the “SRA Guidelines and Requirements” opportunity [here](#).
