GEGC Year End Report (2022-2023)

Denied Courses 2022-2023

CECS 180

Area A3

Reclassified Courses: None

Decertified: None

Postponed: SOC 447 Area UD D – submitted after the deadline in Spring 2023, and postponed until Fall 2023

Committee Activities

Presentations/Reports Received:

None

Issues/Recommendations to CEPC/Academic Senate:

- For your information, the GEGC has been meeting on Zoom. This format has seemed efficient and effective for evaluating proposals.
- In light of the full array of GE Areas represented in recent proposals, it is essential that we have committee members from all of the disciplines. Please note we have 9 members completing their terms in Spring 2022, so we are in danger of having vacancies in Fall. We are by far the most busy in Fall before the Catalog deadline, so any haste in filling the seats would be appreciated.
- It will be essential for there to be coordination between the new GE Evaluation Committee and the GEGC. After the GEEC has had a chance to established its protocol, a presentation to the GEGC, or at least a discussion with the GEGC Executive Committee would be appreciated.

Prepared August 21, 2023

Florence Newberger, chair GEGC
