PRELIMINARY CREDENTIAL EVALUATIONS

- Student Teaching & courses are noted as in progress (IP) until grades have posted

- Missing items are noted as "Needs" and must be submitted prior to credential recommendation

  - Examples:

    - CPR – adult, infant, and child - Online still acceptable

    - US Constitution

    - RICA - submit PDF of passing results for all three subtests. Our office does not automatically receive your score report.

- CalTPAs

  - Scores will be sent directly to CSULB

  - TPA/Program clearance will be provided directly to us by TPAC when passing scores are received and all program requirements have been submitted (including exit survey and evaluations)

- Added Authorizations: if an analyst has included a note that you qualify for an authorization, you must notify us if you want it added to your credential. Make sure it is a subject you would be willing to teach.

END OF THE SEMESTER TASKS

Step 1: Survey and Evaluations

- CTC/CSU Program Completer Survey

The link will be emailed to you from TPAC. Complete the survey and take a screenshot of your confirmation with your name included and email that back to TPAC.

APPLYING FOR YOUR CREDENTIAL
(AFTER GRADES HAVE POSTED)

Step 2: Complete the Qualtrics "Request for Recommendation" form and upload any needed items (CPR, RICA etc.). Do **not** submit a request prior to completing student teaching, TPA, and all additional requirements.

You will need to provide a non-CSULB email on the Request for Recommendation form. Please ensure that you will be giving us the same email that you have on file with the CTC.

Step 3: Your Request for Recommendation will be routed to a CSULB Credential Analyst who will determine if your file is complete and will submit an online recommendation to the Commission on Teacher Credentialing (CTC).

APPLYING FOR YOUR CREDENTIAL

Step 4: Watch for a notification email from the CTC (donotreply@ctc.ca.gov). Follow the instructions in the email from the CTC directing you to complete your portion of the online application, including payment.

Step 5: Credential Issuance

Within approximately 10 days of completing the online application, the CTC will email you notification that your document has been granted and available for viewing.

Log into your CTC Educator Profile, click on your Single Subject Credential document number and review your credential carefully. Contact the Credential Center as soon as possible if your document is incorrect or if you have any questions.

Please note - The only credential verification that is available will come from your Commission on Teacher Credentialing Educator Profile. Take a screen shot of your credential to share with your future employer.

UNIVERSITY INTERNS

- All intern support hours must be submitted and approved by your supervisor prior to credential recommendation eligibility.   We cannot recommend you for the Preliminary Credential until your hours have been cleared by the Office of Clinical Practice.

- Candidates who do not yet qualify for a Preliminary Credential by early January should be prepared to enroll in an Intern Support Class for Spring 2024 (if there is no change in your intern employment for the remainder of the school year). You will receive more information on this in early January.

DEADLINE TO APPLY

o If eligible, please apply by **January 31, 2024,** your credential file will be on hold if you have not applied for credential recommendation

o After this date, you will need to contact the Credential Center when you have completed all requirements and are ready to apply for your credential. We will no longer actively monitor your file

o When you have completed all requirements, please contact the Credential Center to apply for your credential (even if you do not plan to use your credential right away).
